Spring Waists in New Silk and Cotton Weaves

There's more dainty beauty and refined elegance surrounding a new season's Waist opening than in any other event that falls to be chronicled in the history of a modern general Dry Goods House, and when you look at the new loveliness laid out for your inspection during the present week, you'll fully agree with our ideas on the subject.

Handsome Silk Waists

Are always dressy, which the many touches of refined art, multiplicity of design and exquisite shades and color blends endear them to the heart of every woman who values the charm of personal attractiveness. It would be sheer waste of time to attempt any description of the pretty creations and fancies that await your judgment this week, and we have every confidence in your verdict.

Cotton Fabric Waists

No bounds can be set on the extent of the range to select from as our waist stock now stands. There are hundreds of different patterns, colors, styles, effects, weaves, etc., each with a distinct individuality of its own, so that prudent women who have a mind of their own will quickly appreciate the advantages of buying now.

Among the favorite materials for waists this season are Anderson's Scotch Gingham, French Gingham, Fine Lawns, French Dimities, Lawns with Silk Embroidered Polka Dots, Zephyr Gingham, Percales, Corded Gingham, New Linen Weaves in solid tints and shadings, Percales, Satines, etc., etc.

No need to say more. Your eyes and good sense must do the rest. You will be a welcome visitor any day this week, and you need not worry about buying just now unless you see it to be to your advantage.

SALESWOMEN understand what torture is. Constantly on their feet whether well or ill. Compelled to smile and be agreeable to customers while dragged down with some feminine weakness. Backaches and headaches count for little. They must keep going or lose their place.

To these Mrs. Pinkham's help is offered. A letter to her at Lynn, Mass., will bring her advice free of all charge.

MISS NANCIE SHORE, Florence, Col., writes a letter to Mrs. Pinkham from which we quote:

"I had been in poor health for some time, my troubles having been brought on by standing, so my physician said, causing serious womb trouble. I had to give up my work. I was just a bundle of nerves and would have fainting spells at monthly periods. I doctored and took various medicines, but got no relief, and when I wrote to you I could not walk more than four blocks at a time. I followed your advice, taking Lydia E. Pinkham's Blood Purifier in connection with the Vegetable Compound and began to gain in strength from the first. I am getting to be a stranger to pain and I owe it all to your medicine. There is none equal to it, for I have tried many others before using yours. Words cannot be said too strong in praise of it."

MISS POLLY FRAME, Meade, Kan., writes: "DEAR MRS. PINKHAM—I feel it my duty to write you in regard to what your medicine has done for me. I cannot praise it enough. Since my girlhood I had been troubled with irregular and painful periods and for nearly five years had suffered with falling of the womb, and whites. Also had ovarian trouble, the left ovary being so swollen and sore that I could not move without pain. Now, thanks to your wonderful medicine, that tired feeling is all gone, and I am healthy and strong."
